

Akron Master's Program – Engineering

Tuition and Cost of Living

Please use the UA Web Site for the up-to-date information on Tuition and Fees. The amounts shown in this document are estimates and subject to change at any time.

Tuition and Fees

Tuition and fees are based on the number of credit hours taken. Detailed information could be found online www.uakron.edu/student-accounts/costs/graduate-tuition2.dot

Estimated tuition, fees, books and student insurance for pursuing Akron Master's Program in Mechanical Engineering is about \$30,000 for two years, depending on the number of credits required.

- Taking 12 credits during the first academic year (about \$10,500/first year).
- Taking 18 or 20 credits during the second academic year (about \$17,500/second year)
- International student insurance: about \$1,100 per year
- Books (estimate): \$1,000 per year

Cost of Living:

Average living expenses for nine month \$11,220 (on campus) or \$9,370 (off campus)

On-campus room & board: www.uakron.edu/campus-life/housing-dining/

Off-campus housing options: www.uakron.edu/offcampus/housing

The total estimated cost might be about \$55,000.
